

PUBLIC MEETING

for the

Mineral Hill Area Master Plan

Tuesday, September 25, 2012

7:00 p.m.

**County Council Meeting Room
Delaware County Government Center,
Front and Orange Streets, Media**

The Mineral Hill area is located west of Media on land between Baltimore Pike, the Route 1 Media By-pass, and Ridley Creek Road. It is comprised of 123 acres of parkland owned or leased by Delaware County, Media Borough, Middletown Township, and Upper Providence Township.

The cooperative nature of the Master Plan's development will allow each of the municipalities and the County to develop their respective parks in a way that limits redundancy, ensures environmental quality, and maximizes public benefit.

This is a project of the Delaware County Planning Department, with Natural Lands Trust as a consultant.
